### **"All Are Welcome" Engagement and Giving Drive**

**Thanks to all** who have responded so generously to the "All Are Welcome" Engagement and Giving Drive. We were not able to meet our stated goals for the drive - yet! During church services you have heard from a number of speakers about the impact of the building program to our future and our ability to be truly welcoming to our diverse community. If you missed any of these, please take the time to listen - all of the videos are on the Home Page of the website. Please be sure to take just a few minutes to review the materials sent home for the Drive before you make any final decisions about support for the effort. We're so close!
